www.oldguysrule.com

Old Guys Rule, a clothing company founded by California surfer Don Craig, aspires to bring back the nostalgia and vintage feel of a well-loved old car-club jacket with its new Vintage Goods collection. Inspired by his father, surfer Doug Craig, and his buddies, who have reached their golden years and still go out surfing every morning, the entire Old Guys Rule line of clothing and accessories is designed for members of the older generation who still retain energy and a passion for life.
